

Goodmills.hu cookie policy

Goodmills.hu uses cookies to provide a better user experience and certain functions. We inform our users about the use of cookies by displaying a notification on their first visit to the website, and also ask for their consent.

What cookies are?

Cookies are small, often encrypted text files that a website places on your device. Certain cookies are essential for the website to function, while others enable a better user experience and the monitoring of statistics based on anonymous data. Cookies do not contain personal or other information that could be used to identify the user. If the use of cookies is subject to your consent, withdrawing consent may result in altered performance of certain parts of the website or may prevent the use of certain services.

Cookies that goodmills.hu uses:

Name	Use	End
HTTP_IS_HIDPI	session cookie, it is created only if the user using the website with a HiDPI display	to closing browser

More information about cookies

You can find more information about cookies at the following links: aboutcookies.org and www.youronlinechoices.eu.

Cookie handling and turn off

You can also manage the use of cookies on your device within the browser settings. Please note, however, that turning off some cookies may limit the functionality of our websites or cause some parts of the website to be completely inoperable.

You can find more information on how to manage your cookie settings and how to disable cookies in the most commonly used web browsers at the following links:
